

# Summer Learning 2018

Keep the thinking going over the summer in some new and fun ways. Here are some suggestions.

<p><a href="#">Greg Tang Summer Math Challenge</a></p>  <p><a href="http://gregtangmath.com/summer">http://gregtangmath.com/summer</a></p>	<p><a href="#">Summer Math</a></p> 
<p><a href="#">Be a Learning Hero</a></p>  <p><a href="https://bealearninghero.org/">https://bealearninghero.org/</a></p>	<p> smarter summers. brighter futures.</p> <p><a href="#">Smarter Summers</a></p> <p><a href="https://www.summerlearning.org/">https://www.summerlearning.org/</a></p>

## Resources & Ideas for Parents, Families, and Children--

Milwaukee Parent Magazine-- <http://www.metroparentmagazine.com/>

Media Reviews--- <https://www.commonsemmedia.org/>

[Battle of the Books](#) Oak Creek-Franklin List 2018-2019

[Challenge of the Books](#) Oak Creek-Franklin List 2018-2019

## Resources online that continue for part or all of the summer--

*MobyMax* <https://www.mobymax.com/> all summer
