

OAK CREEK FRANKLIN EMPOWER ACADEMY

School Supplies - 2023-2024

The first part of this supply list includes general supplies learners will need for all subjects. The second portion of this list includes materials needed for specific Encore classes. Learners should come to class the first day with the identified supplies.

Additional supplies may be requested throughout the year for specific courses/projects. Also, we will coach kids to take stock of their personal supplies throughout the year.

In an effort to focus on organizational skills and responsibility, learners will be expected to use a digital daily planner. We will help them create the digital planner to organize their daily lessons and tasks on their school-assigned Chromebook.
