

2023-2024 School Supplies

West Middle School

Grade 7

The first part of this supply list includes general supplies students will need for their core classes (Social Studies, Math, Science, and Language Arts). Students should come to class the first day with the identified supplies. Additional supplies may be requested throughout the year for specific courses/projects.

Folders and notebooks for students in 7th and 8th grade are color-coded to assist students in arriving to class with the correct materials. Students should have **separate** 2-pocket folders and notebooks. They are much easier to locate, keep organized, and bring to and from school for each class than one large binder/trapper-keeper that houses multiple papers for multiple classes.

All students will receive a school assignment notebook during the first week of school. In an effort to focus on organizational skills and responsibility, students will be required to use the assignment notebook in each class. Students will be required to purchase a new one, if the first school-supplied notebook is lost.

****Please purchase only standard size backpacks. The oversized backpacks with roller frames do not fit into the lockers. (Solid base dimensions should not exceed 10" x 10")**

- Scientific calculator TI-30Xa (or similar)
- Red ink pens (2)
- #2 pencils with erasers (24)
