HELP YOUR CHILD

Succeed

KINDERGARTEN

ENGAGE

- Make sure homework, attendance and student effort are priorities
- Read with your child daily
- Establish family routines
- Talk with your child about school
- Read all school and classroom communication
- Find creative ways for your child to count and work with numbers
- Encourage your child to practice writing letters and numbers
- Exercise with your child
- Monitor your family's screen time (TV, video games, computer, etc.)

CHALLENGE

- Promote good health habits (well-balanced meals, opportunities for exercise, and rest)
- Help your child learn to share
- Model use of good manners and expect your child to use good manners
- Help your child handle conflict

INSPIRE

- Provide encouragement when your child expresses frustration
- Praise your child's efforts and accomplishments
- Expose your child to a variety of art, music and community activities
- Share your talents with the school - we encourage family involvement!
