

TENNIS RISK ACKNOWLEDGMENT

CAUTIONS & RESPONSIBILITIES OF STUDENT/ATHLETES AND PARENT/GUARDIAN(S)

The following procedures have been developed for the Oak Creek High School Tennis program. Because of the strength, endurance, conditioning and physical demands required, student-athletes and their parent/guardian(s) are asked to read, understand and adhere to the following cautions and responsibilities to enhance the safety and enjoyment of the sport of Tennis by participants. The Oak Creek-Franklin School District Co-Curricular Code; the Oak Creek High School Code of Conduct; Tennis Team Rules and Procedures; along with adhering to W.I.A.A. (Wisconsin Interscholastic Athletic Association) and N.F.H.S. (National Federation of High School) Rules are expectations and responsibilities of the student-athlete and parent/guardian. The student-athletes and parent/guardian(s) are responsible to become familiar with and adhere to the above-mentioned codes, rules and procedures in accordance with this risk acknowledgement statement.

The following recommendations have been designed specifically for the Oak Creek High School Tennis team. Athletes and parents are asked to read and understand certain cautions and responsibilities designed to improve the safety and enjoyment of the sport.

Pre-season Preparation

- ▶ Because of the intense demands and conditioning required athletes must condition to prepare themselves for the season. This includes both strength training as well as aerobic training. It is also important that athletes continue to strength train during their season to help prevent injuries. Athletes should focus on developing muscular strength, endurance, cardiovascular fitness and flexibility. Weight training and strength conditioning programs have been developed for athletes pertaining to their specific sport. The weight room is open year-round to offer opportunities for training and conditioning. Athletes must adhere to the safety procedures when working out in the weight room.
- ▶ Athletes need to incorporate the basic food groups and have a diet high in complex carbohydrates. A vitamin supplement (approved by your physician), fluids, regular rest, proper nutrition and dress contribute to the maintenance of health.

Preparation for Practice or Contest

- Prior to the first day of practice, athletes must turn in to the Activities Office a completed: 1) physical card, 2) Oak Creek High School Athletic Code/WIAA Code/Concussion Form (all in same packet), 3) risk acknowledgement form, 4) yellow emergency card, 5) Transportation fee
- Athletes with seizure, neuromuscular, renal, cardiac, insulin/diabetic, or chronic skeletal problems, respiratory diseases, disorders or diseases, must present a physician's approval prior to participation in any practice session.
- It is the responsibility of the student athlete and parent to report to the coach and the athletic trainer any medical condition and/or medication the student may require during the course of the activity inclusive but not limited to practice, travel, games/performances.
- Athletes who are ill, dizzy, or lightheaded should not practice and should contact their coach and athletic trainer.
- Any injury problem or concern should be discussed with the coach and athletic trainer.
- Athletes needing preventive taping or bracing should arrive early to receive treatment. Athletes need to wear all pads, braces and supportive undergarments to all practices and competitions.
- Athletes with visual impairments must wear shatterproof glasses or lenses where judgment or safety is a problem. Glasses must be mounted in break resistant frames and secured with an elastic strap.
- Horseplay, roughhousing, hazing or initiations is prohibited.
- Athletes must remove all jewelry and metal hair fasteners.
- Weight training and strength training may be a requirement for physical preparation. Athletes should observe all weight room policies for progressions, spotting and general safety.
- Athletes should ingest the equivalent of 4-6 glasses of water each day.
- Athletes should think safety first.
- Athletes should always be aware of the proximity of others when executing large motor movements.
- Athletes should always use proper technique.
- Weight control or weight reduction programs should not be undertaken without the approval of the coach, athletic trainer and personal physician.

Cautions Specific to Tennis

1. Throwing racquets and other horseplay is prohibited.
2. Doubles partners should face the net and be aware of each other's court position at all times so as to avoid physical or racquet contact with each other.
3. Players must gather up loose tennis balls and call "BALL" if loose ball rolls onto another court.
4. Shatterproof glasses or lenses must be worn if needed for perception and judgments. Eye protection specifically designed for racquet sports is strongly suggested.
5. Be under control when playing near nets, net posts and fences.
6. Net jumping is prohibited.
7. Heat and humidity can be a serious problem. Ingest water during the day, and at practice or matches.
8. Players with sensitive skin are encouraged to use sun block or cover skin areas.

In the Locker Room

- Be alert to slippery floors and use caution.
- Be alert to changes in floor texture and to elevated thresholds between shower and locker rooms.
- Keep floors free of litter.
- Secure all personal belongings in assigned locker.
- Open locker doors can have sharp edges. Close and lock locker door when away from your assigned locker.
- Use soap and shampoo only in the sink/shower areas.
- Horseplay, roughhousing, hazing or initiations is prohibited.
